

This brochure contains important features of and fees we charge for personal deposit accounts and banking services. For rules and regulations governing a personal account, refer to the Deposit Account Agreement. Interest rates and annual percentage yields in this brochure are effective as of the date indicated. We reserve the right to periodically change our fee schedule.

GENERAL INFORMATION CONCERNING ALL CHECKING AND SAVINGS ACCOUNTS

Unless noted, monthly service charges are imposed every statement period if either the account balance on any day or the average daily account balance falls below the required minimum. A statement period is approximately one month. The average daily balance is calculated by adding the principal in the account for each day of the statement period and dividing by the number of days in the period. The Ledger Balance includes all deposits received and credited to your account, whether or not the Bank has been credited. The Collected Balance includes only those deposits the Bank has received credit for (i.e., collected funds).

Electronic withdrawals/transfers occur from your account using the ACH system or an ATM. Personal Identification Number (PIN), PIN-based or Online debit card transactions are point-of-sale electronic transactions using a Visa® Debit Card at an electronic terminal other than an ATM. You are usually required to enter your PIN for a PIN debit card transaction. If you use your Visa Debit Card to purchase goods or services from a merchant displaying the VISA logo, the transaction is handled like a traditional credit card transaction. Your PIN is not usually required. These transactions are referred to as No PIN, Non-PIN or Offline debit card transactions. Your Visa Debit Card is not a credit card; your checking account is directly debited upon use.

We routinely waive monthly service charges for the first statement period of a new account.

INTEREST-BEARING CHECKING AND SAVINGS ACCOUNTS

All interest-bearing checking and savings accounts are variable rate accounts. Your interest rate and annual percentage yield may change. At our discretion, we may change the interest rate on your account at any time. You can obtain current rate and yield information by calling 1.888.FC DIRECT (1.888.323.4732).

Interest begins to accrue no later than the business day we receive credit for the deposit of non-cash items (e.g., checks). We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the collected balance in the account each day. Interest is compounded daily and will be credited to your account on a monthly basis. If you close your account before interest is credited, you will not receive the accrued interest unless your account is a Holiday Savings account.

FOOTNOTES

- When you reach age 18, you will no longer be eligible for waived monthly service charges because of minor status. Instead, standard pricing will apply and you must maintain the required minimum or average balance in your account in order to avoid monthly maintenance fee and any applicable per-item, withdrawal or transfer charges. If you fail to meet such requirements, applicable fees and charges will be debited from your account without further notice to you.
- Provided an account qualifier is maintained.
