Purpose of Letter of Credit:

In consideration of your issuing or arranging for the issuance of a Credit substantially in accordance with the foregoing terms, we hereby agree with you as follows:

1. Applicant's Reimbursement/Payment Obligation.

(a) We promise and agree to reimburse you on demand all amounts paid from time to time by you, your agent, or any party on your behalf in settlement of your obligations under the Credit (or, if so demanded by you prior to your payment of any such obligation, to pay you an amount sufficient to pay all such obligations in full), together with interest thereon from and including the dates of such payments until your receipt of our reimbursement. Interest shall accrue at the variable rate of three percentage points above the highest Prime Rate as published from time to time in the Money Rates table of *The Wall Street Journal* unless you designate a lower rate in the "For Bank Use Only" box at the beginning of this form, in which case that lower rate shall apply. The interest rate is subject to change on a daily basis with changes becoming effective on the calendar day the Prime Rate changes. Interest will be calculated on an "actual/360" daily simple interest basis; that is, by applying the ratio of the annual interest rate over a year of 360 days, multiplied by the outstanding sums we owe, multiplied by the actual number of days the sums are outstanding.

(b) In addition, we promise to pay you on demand the following:

(i) The Annual Commission (if any) you specify in the "For Bank Use Only" box at the beginning of this form and all applicable commissions and fees specified in your regularly adopted fee schedule, as amended from time to time (including, but not limited to, recurring and non-recurring commissions and fees for issuing, extending, increasing, amending, drawings under, banker's acceptances given pursuant to, or transfers of, the Credit).

(ii) Your correspondents' commission charges when applicable, and all other charges and expenses paid or incurred by you in connection with the Credit.

(iii) All charges and expenses, including reasonable attorneys' fees and legal expenses, paid or incurred by you in connection with (a) the issuing of the Credit, (b) your performance under the Credit and this Agreement, (c) your enforcement of this Agreement, and (d) all transactions related to or contemplated by this Agreement (including, without limitation, the creation, perfection, maintenance, protection, exercise, enforcement, or realization of or upon your interests, rights, and remedies as a secured party).

(iv) Any documentary, stamp, intangibles, or other taxes that may be payable in connection with the execution or delivery of this Agreement, the issuance of the Credit, or the issuance of any other instrument or document provided for herein or delivered or to be delivered hereunder or in connection herewith.

(c) We will pay all sums we owe you from time to time in United States currency at your office in Raleigh, North Carolina. In the case of drafts under or purporting to be under the Credit that are payable in a currency other than United States currency, we promise to reimburse you on demand the equivalent in United States currency of the amount paid by you at the same rate of exchange that applied to the settlement of your payment. We bear all risks arising from fluctuations in currency exchange rates.

2. Payment. To facilitate our prompt payment to you of sums we owe you from time to time under this Agreement and to minimize our obligation under this Agreement to pay you interest, we expressly authorize you to collect such sums from time to time by debiting the deposit account (the "Account to Debit") identified in the box entitled "Designated Deposit Account to Debit" at the beginning of this form. We further authorize you to debit any deposit account(s) we or any of us maintain with you or any of your affiliates (i) if no "Account to Debit" is designated, (ii) if for any reason you are unable to debit the "Account to Debit" for sums we owe you, or (iii) if there are insufficient funds in the "Account to Debit" when you attempt to debit the account. You may debit the "Account to Debit" or any other account without prior notice to us and without first having made any demand on us for payment. This authorization is in addition to your right of setoff and any security interest you may have in any such deposit account.

3. Bank's General Obligations. The users of the Credit shall be deemed our agents, and we assume all risks of their acts or omissions. Upon the issuance of the Credit, your obligations to us relative to the Credit include good faith and observance of general banking usage; however, neither you nor your correspondents shall be responsible for any of the following: (i) performance of our underlying obligations to the beneficiary; (ii) the validity, sufficiency, or genuineness of documents, even if such documents should in fact prove to be in any or all respects invalid, insufficient, fraudulent, or forged; (iii) the failure of any draft to bear any reference or adequate reference to the Credit, or failure of documents to accompany any draft at negotiation, or failure of any person to note the amount of any draft on the reverse of the Credit, or to surrender or to take up the Credit or to send forward documents apart from drafts, as may be required by the terms of the Credit (each of which provisions, if contained in the Credit itself, we agree may be waived by you); (iv) errors, omissions, interruptions or delays in transmission or delivery of any messages transmitted electronically

or by mail, cable, telegraph, wireless, or otherwise, whether or not they be in cipher; or (vi) any error, neglect, or default of any of your correspondents. In furtherance and extension (and not in limitation) of the specific provisions set forth above, we agree that any action you or any of your correspondents take under or in connection with the issuance, transmission, or payment of the Credit or any related drafts, documents, or property, if taken in good faith, shall be binding on us and shall not put you or your correspondent under any resulting liability to us, and we make the like agreement as to any inaction or omission, unless in breach of good faith. In no event will you be liable for incidental, consequential, or special damages.

4. **Bank's Obligations Concerning Documents.** Your obligations to us relative to the Credit include your examination of documents with care so as to ascertain that on their face they appear to comply with the terms of the Credit, but do not include liability or responsibility of any kind arising out of or in connection with: (i) genuineness or effect of documents which appear on your examination to be regular on their face; (ii) honor of drafts or demands for payment which appear on your examination to be regular on their face; (iii) the ultimate correctness of your decision regarding documentary compliance, where your decision is based on your examination of the documents, or your exercise of judgment, in a manner not manifestly unreasonable. You may accept documents that substantially or reasonably comply with the terms of the Credit, and you may, in your discretion and without notice to us, accept an indemnity to induce honor applicable to defects in the documents.

5. **Honoring Payment Requests.** Without limiting the foregoing and in addition to the provisions of sections 3 and 4 above, we expressly authorize and direct you to honor any request for payment which is made under and in compliance with the terms of the Credit without regard to (and without any duty on your part to inquire into) the existence of any disputes or controversies between us, the beneficiary of the Credit in whose favor the Credit is issued, or any other person, firm, corporation, or entity or the respective rights, duties, or liabilities of any of them.

6. **Security.** To secure our obligations and liabilities to you under this Agreement and any and all other obligations and liabilities, absolute or contingent, due or to become due, which are now or may at any time hereafter be owing by us or any one or more of us to you, we pledge to you and give you a general lien upon, security interest in, and right of setoff against, any interest we (or any one or more of us if more than one Applicant signs below) have or may hereafter acquire in and to every deposit account, now or at any time hereafter existing, established, or maintained with you, and any other claims we or any of us have or may hereafter acquire against you. We further agree, at any time and from time to time, on demand (i) to make such payment as you may require in order to support this transaction, (ii) to deliver, convey, transfer, or assign to you additional security of a value and character satisfactory to you, as security for any and all of our obligations and liabilities hereunder, and also for any and all other obligations and liabilities, absolute or contingent, due or to become due, which are now or may at any time hereafter be owing by us or any one or more of us to you, and (iii) to place on deposit with you good funds or liquid assets as security at a value not less than your contingent liability under the Credit. Without limiting the foregoing and in addition to the provisions of this section, we agree that all of our property that has been or at any time hereafter is delivered, deposited, conveyed, transferred, assigned, or paid to you, or that comes into your possession in any manner whatsoever, whether expressly as security for any of our obligations or liabilities to you or otherwise, is hereby given as, and shall be and constitute, collateral security for any and all of our current and future obligations and liabilities to you, whether absolute or contingent. The word "property" as used in this Agreement includes goods, merchandise, securities, funds, choses in action, and any and all other forms of property, whether real, personal or mixed, and any right or interest we may have therein.

7. **Default.** We will be in default under this Agreement upon the occurrence of any of the following: (i) any failure to perform any of our obligations or undertakings under this Agreement or any other agreement with you or instrument delivered to you, including without limitation our obligation promptly to pay all sums due you; (ii) any failure to furnish you upon demand additional security satisfactory to you; (iii) any default under, or any failure to maintain insurance required by, any instrument securing the payment and performance of our obligations under this Agreement, (iv) any act or event evidencing or reasonably appearing to evidence our insolvency or financial instability (including, but not limited to, the commencement of bankruptcy or similar proceedings by or against us); (v) any failure to furnish upon demand any financial information you may request from us or to permit at a reasonable time your inspection of our books, records, and accounts; (vi) any material misrepresentation made by us or on our behalf in connection with the Credit; or (vii) any other act, event, or occurrence which in your sole but good faith judgment impairs your security or increases your risk.

8. **Remedies.** Upon default, all of our liabilities to you, of whatever nature, whether contingent or absolute, shall at your option become immediately due and payable without notice or demand, and you shall have all of the rights and remedies of a secured party under the Uniform Commercial Code. In addition to the foregoing, (i) you may take or retake immediate possession of all collateral without demand, notice or legal process (and for this purpose we will at your request assemble the collateral at a reasonably convenient place designated by you and permit you to enter upon our premises without legal process and remove the collateral or render it unusable, all without any liability to us whatever), and (ii) you may require us to make immediate partial payment supplemented by our delivery to you of additional collateral satisfactory to you as security for all our obligations to you. Any notice

of disposition or other intended action with respect to any of the collateral shall be deemed reasonable if in writing and mailed by you to us at least 10 days in advance of such disposition or other intended action.

9. Indemnification; Subrogation.

(a) We will indemnify you, your affiliates, and your correspondents (and your and their respective officers, directors, employees and agents) and defend and hold you and all of them harmless from and against (i) all loss, claim, expense, or damage arising out of the issuance of the Credit or any other action taken or not taken by any such indemnified party in connection with the Credit, including any loss or damage arising in whole or in part from the negligence of the party seeking indemnification, but excluding any loss or damage resulting from the gross negligence or willful misconduct of the party seeking indemnification, and (ii) all costs and expenses (including reasonable attorneys' fees and legal expenses) of all claims or legal proceedings arising out of the issuance of the Credit, actions taken or not taken by any such indemnified party in connection with the Credit, or incident to the collection of amounts we owe you under this Agreement or your enforcement of your rights under this Agreement, including, without limitation, legal proceedings related to any court order, injunction, or other process or decree restraining or seeking to restrain you from paying any amount under the Credit. Additionally, we will indemnify and hold you and them harmless from and against all claims, losses, damages, suits, costs or expenses (including reasonable attorneys' fees and legal expenses) arising out of (i) your acceptance of telecommunication instructions in connection with the Credit, including, but not limited to, telephonic instructions in connection with any waiver of discrepancies, or (ii) our failure to procure licenses in a timely manner or to comply with applicable laws, regulations, or rules, or any other failure on our part relating to or affecting the Credit. We further agree to indemnify you against the assessment of any reserve that may be imposed by any regulatory agency or authority as a result of issuing the Credit, and to reimburse you for all costs associated with any such reserve if and when it is imposed. Each of these indemnities shall constitute an obligation separate and independent from the other obligations contained in this Agreement.

(b) We will pay all of the reasonable attorneys' fees and other legal expenses you actually incur in connection with this Agreement or the Credit, including, without limitation, your defense of any proceeding initiated by us to enjoin or restrain any drawing, payment, or negotiation of the Credit, even if we are awarded such relief, provided only that you have acted in good faith in defending such action.

(c) Whenever appropriate to prevent unjust enrichment and to the end that we shall bear substantially all of the risks relative to the Credit and the underlying transactions, you shall be subrogated (for purposes of defending against our claims and proceeding against others to the extent of your liability to us) to (i) our rights against any person who may be liable to us on any underlying transaction, (ii) the rights of any holder in due course or person with similar status against us, and (iii) the rights of the beneficiary or his assignee or person with similar status against us.

10. Waiver; Acts Not Affecting Agreement. You shall have no duty to exercise any of your rights hereunder, and you shall not be liable for any failure to do so or delay in doing so. No such failure or delay on the part of you or your correspondents shall operate as a waiver, and no notice to or demand upon us by you or your correspondents shall be deemed a waiver of your right to take any other or further action without notice or demand. Your rights and liens and our obligations and liabilities under this Agreement shall continue unimpaired and this Agreement shall remain binding upon us, notwithstanding (i) release or substitution of any collateral or any right or interest therein; (ii) extension of the maturity or time for presentations of drafts, acceptances, or documents; (iii) any other modification of the terms of the Credit at the request of us or any of us, with or without notification to the others; or (iv) any increase in the amount of the Credit at our request or at the request of any of us. No delay, extension of time, renewal, compromise, or other indulgence which you may permit in connection with any of your rights hereunder shall impair those rights, and you shall not be deemed to have waived any of those rights unless such a waiver is in writing and signed by you or your authorized agent. No such waiver shall constitute a waiver of any other right or of the same right at any future time.

11. Notices. Notices and demands required or permitted by this Agreement must be given in writing (including facsimile and electronic transmission, which shall be considered original writings). Notices and demands to us or any of us (i) sent by mail shall be deemed to have been given three days after mailed by first class, registered, or certified mail to us or to any one or more of us at the address stated below our signature to this Agreement or at any other address you have for us in your records; (ii) sent by facsimile or electronic transmission shall be deemed to have been given when sent; and (iii) sent by any other means shall be deemed to have been given when received (or when delivery is refused). Notice to any one or more of us shall constitute notice to all of us. Any notice to you shall be (i) delivered or mailed to you at your address stated at the beginning of this Agreement, or (ii) transmitted to you by facsimile and electronic transmission; however, no such notice will be deemed "given" until the notice is actually received by your International Banking Services Department at its office in Raleigh, North Carolina.

12. **Financial Information.** For purposes of this section, “Financial Information” means information relating to our finances. We covenant and agree with you that, so long as this Agreement is in effect, we will furnish you with such Financial Information at such times and in such detail as you may reasonably request, including, but not limited to, the following: (a) personal financial statements (if we are individuals); (b) quarterly and year-end balance sheet and profit and loss statements (if we are engaged in business activities); (c) copies of our federal and state tax returns and all schedules relating thereto, including Schedule K-1 (if applicable); and (d) such additional information and statements, lists of assets and liabilities, aging of receivables and payables, inventory schedules, budgets, forecasts, tax returns, and other reports with respect to our financial condition and business operations as you may reasonably request from time to time.

We warrant and represent that (a) all Financial Information we have provided and that has been provided on our behalf to date is true and accurate in all material respects and fairly presents our financial condition and business transactions as of the date of the Financial Information provided, and (b) Financial Information we provide and that is provided on our behalf in the future will be true and accurate in all material respects and will fairly present our financial condition and business transactions as of the date of the Financial Information provided. We further warrant and represent that, except as specifically disclosed in the Financial Information, (a) we have no direct or contingent liabilities; (b) title to all assets listed in the Financial Information is solely in our name, and no other person or entity has an interest in such assets; (c) there exist no liens, encumbrances, or defects in or upon the assets listed in the Financial Information; (d) all taxes owed by us have been fully paid and discharged, except taxes not then due and payable without penalty; (e) there are no claims, actions, or proceedings pending or threatened against us or any of our property; and (f) there are no judgments or liens against us or any of our property. With respect to each copy of our tax returns given to you, we warrant and represent that (a) the copy is a true and accurate copy of the return, as filed; (b) the original of the return was properly signed or electronically authenticated by us or on our behalf and submitted to the appropriate tax authority; and (c) the return accurately states our income, deductions and tax liability for the period stated. We acknowledge that you have relied and will rely on our Financial Information.

We covenant and agree to send written notice to you within five (5) business days after the occurrence of any change that is both material and adverse in (a) our financial condition or business transactions, (b) our ability to perform our obligations to you, or (c) Financial Information previously given.

We authorize you and your affiliates to make such credit, employment, and investigative inquiries about us from time to time as you and your affiliates deem appropriate to evaluate our financial strength, character, and credit history, to administer the Credit, and to collect any sums owing. You are authorized to verify information about us and obtain consumer report(s) about each individual who signs this Agreement as an Applicant or in a representative capacity on behalf of an Applicant.

13. **Affiliates and Agents.** You may issue the Credit yourself or you may arrange for your affiliate or agent to issue the Credit. If issued by your affiliate or agent, all references to “you” and “your” herein or in any related document shall include your affiliate or agent. The Credit may identify you as the issuing bank or your affiliate or agent as the issuing bank. Your obligations under this Agreement may be performed by you, your affiliate, or your agent. Your affiliate or agent may act in your name or in its own name, either disclosing or not disclosing that it is acting as your affiliate or agent. When acting as your affiliate or your agent on your behalf, your affiliate or agent shall be entitled to all of the rights, benefits and protections you have under this Agreement and is a third party beneficiary of this Agreement. We agree to indemnify you and hold you harmless for any liability you may have to your affiliate or agent arising from or relating to the Credit, including any obligation you may have to reimburse your affiliate or agent for honoring the Credit.

14. **Agreement Binding Upon Successors.** This Agreement shall be binding upon us and our heirs, executors, administrators, successors, and assigns and shall inure to the benefit of and be enforced by you and your respective successors, transferees, and assigns. This Agreement shall not be revoked or impaired by the death of any party hereto, by the revocation or release of any obligations hereunder of any one or more parties hereto, or (if any party hereto shall be a partnership) by any change in the individuals composing the partnership.

15. **Miscellaneous Provisions.**

(a) We fully understand and agree that your sole obligation to us shall be limited to honoring requests for payment made under and in compliance with the terms of the Credit. This Agreement and your obligation remains so limited even if you may have assisted us in the preparation of the wording of the Credit or other documents required to be presented under the Credit or you may otherwise be aware of the underlying transaction that has given rise to the Credit and this Agreement.

(b) The word “Applicant” in this Agreement refers to each signer of this Agreement (other than First-Citizens Bank & Trust Company). If this Agreement is signed by more than one Applicant, their obligations and liability under this Agreement shall be

joint and several. If there is more than one Applicant, the Credit will be issued in the name of the "For Account Of" party (hereafter called the "Account Party") listed on the second page of this Agreement (or, if more than one is listed, the first Applicant named as a "For Account Of" party on the second page of this Agreement). The Account Party shall have the exclusive right to issue all instructions relating to the Credit (including, without limitation, instructions as to the disposition of documents and the waiver of discrepancies) and to agree with you as to any amendments, modifications, extensions, renewals, or increases in or to the Credit or the further financing or refinancing of any transaction effected thereunder, irrespective of whether the same may now or hereafter affect the rights of any co-Applicant or those of its legal representatives, heirs, successors or assigns. Notice to the Account Party shall for all purposes constitute notice to each Applicant, and you may give any notices to the Account Party without notice to any other co-Applicant.

(c) The final form of the Credit may vary from the wording specified in this Agreement, and we authorize you to make such changes, not materially inconsistent with this Agreement, as you in your discretion deem necessary or appropriate.

(d) Issuance of the Credit applied for herein shall constitute your acceptance of this Agreement.

(e) In the event of any increase in the amount of the Credit, any extension of the maturity or time for presentation of drafts, acceptances or documents, any waiver of noncompliance of any such instruments with the terms of the Credit, or any other modification of the terms of the Credit made at our request or with our consent, this Agreement shall be binding upon us with regard to (i) the Credit so increased, extended, or otherwise modified, (ii) all drafts, documents and property covered thereby, and (iii) any action taken by you or any of your agents or correspondents in accordance with such increase, extension, or other modification.

(f) A copy of this signed Agreement transmitted to you by facsimile or other electronic means shall have full legal effect and the same effect as our pen-and-ink signature on an original paper copy of this Agreement physically delivered to you, and we shall be fully bound thereby. We further agree that signatures (including but not limited to stamps and typewritten representations of signatures) transmitted to you by facsimile or other electronic means that you in good faith (and without any requirement of investigation) believe are transmitted by us or on our behalf, shall have full legal effect and the same effect as a pen-and-ink signature physically delivered to you, and we shall be fully bound thereby. We agree to indemnify you and hold you harmless from any loss arising from a third party's refusal or failure to accept such facsimile or electronic signature, and we agree to take all reasonable actions requested by you to cure or alleviate any such refusal or failure.

(g) You may rely on any writing (including any facsimile, any electronic transmission or any information on a computer disk or similar medium which may be reduced to writing), or any telephonic or other oral message or instruction (including, without limitation, any oral waiver of any discrepancy with respect to any draft, order, instrument, demand, or other document), that you believe in good faith to have been received from or authorized by us or any of our officers, employees or representatives, and you shall not be liable for any action taken in good faith with respect to any such writing, message or instruction. You shall not be under any duty to verify the identity or authority of any person submitting any such writing, message or instruction.

(h) Any facsimile copy, photocopy, microfilm, microfiche or optical image of this Agreement may be presented as evidence in lieu of the original in any legal proceeding to enforce the terms of this Agreement and shall have the same validity as the original.

16. **Governing Law.**

(a) The Credit shall be subject to ISP98, the terms of which are incorporated herein by reference, except as modified by the terms of this Agreement. At your discretion you may issue the Credit subject in whole or in part to UCP600, and to the extent the Credit so indicates, the Credit shall be subject to UCP600.

(b) This Agreement shall be a contract made under, governed by, and construed in accordance with the laws of the state designated as the "Controlling State" on the first page of this Agreement (or if no state is designated as the "Controlling State," by the laws of the State of North Carolina), without reference to its provisions regarding conflicts of laws, except when the Controlling State's laws conflict with ISP98 or UCP600, in which event the provisions of ISP98 or UCP600, as applicable, shall govern.

17. **Client Bank Transaction.** *This section applies only if a "Client Bank" is identified by name in this section and this Agreement is signed on behalf of Client Bank by an officer of Client Bank.*

The "Client Bank" is _____. Client Bank is co-Applicant for the Credit. Each of the other undersigned Applicants is a banking customer of Client Bank. To secure its payment obligations to you under this Agreement, Client Bank shall, at your request, immediately provide such collateral, execute and deliver such pledge and/or

security agreements, and provide such standby letters of credit to you as you may reasonably request. If Client Bank is required to reimburse you under this Agreement, to pay you in the event of any default under this Agreement, to indemnify you under this Agreement, or to provide collateral as security to you under this Agreement, then each of the undersigned Applicants (other than Client Bank) jointly and severally agree to reimburse, pay, or indemnify Client Bank for the entire amount of those payments made by Client Bank and collateral provided by Client Bank. By signing below, Client Bank acknowledges that (i) it is co-Applicant for the Credit, (ii) it is fully and completely bound as a co-Applicant under the terms and conditions of this Agreement, and not as a surety, guarantor, or accommodation party, and (iii) it has a bona fide economic interest in this transaction. To facilitate the prompt payment to you of sums owed to you from time to time under this Agreement and to minimize any obligation under this Agreement to pay you interest, Client Bank expressly authorizes you to collect such sums as are owed to you by Client Bank from time to time under this Agreement by debiting any deposit account or inter-bank clearing account Client Bank then has or maintains with you or any of your affiliates and to realize on and apply to the sums owed any collateral given by Client Bank to secure its payment obligations under this Agreement.
